~~SUE~~ WHO KILLED BOB?

Who Killed Bob? Podcast
– 19 Episodes presented by
Eve Ash.

Murder, intrigue and injustice following the disappearance of Bob Chappell aboard the yacht 'Four Winds' in Tasmania in 2009. Despite there being no body, no murder weapon and no apparent witnesses, Bob's long-time partner Sue Neill-Fraser was convicted of his murder and imprisoned for 23 years, serving a 13 year non-parole period. Eve Ash shares her 14-year journey to uncovering the truth of Who Killed Bob, exposing the shocking and bizarre twists of the case and the unyielding and unfair justice system.
